Dedication. One word that means so much. How can a paragraph of simple words convey the sincere gratitude we feel for two people who have always given, always listened, always heard, always been there. All for us. Paul Taff. Cheering us up with his wonderful "Big Bird", making sure sophomore biology class knows "the facts", telling us "it's okay, but I don't know a thing about it!"

Alice Masker. Struggling with scores of constantly mixed up schedules, stopping in the hall to smile and say hello, making sure you see her to talk over those college plans.

You gave three years of yourselves to us, and although these two short pages can never say everything that we want to, this dedication is meant to say "thank you" for doing a job that never receives enough thanks.

1980 was the first year that Rockville formed a soccer team for girls. After getting off to a rather discouraging start, the players pulled it all together and won their first game on October 13, at home against Hartford, and although the final season record didn't make CVC history, the team gained the experience needed to make 1981 even better.

"The one word that describes soccer team this year is desire. We started the season by losing our first six games. We only lost one after that bad start.

"I think the one game that stands out in my mind as being the best played this season was against Windsor Locks. We tied them 1-1, and had a good chance of beating them. We had lost to them 5-1 the first game of the year." Coach Saimond

badminton

Under Coach Bob Carlson, the badminton team finished the 1980 season with an 11-4 record, as well as becoming runner-ups in the State tournaments. Sue McElroy kept her eye on the birdie and earned the honor of being ranked third in the state. A highlight for the entire team was their victory over East Hartford, and equally uplifting was the music provided by Cindy and Amy.

volleyball

For the girls on the volleyball team, a 16-2 season record was good, but a 10-0 record in the CVC was even better because it meant the return of the number one position in the division. Three senior players, Judy Ryan, Nancy Carrozza, and Hilary Kemp earned the honor of being chosen as All CVC players. Coach Pat Logan described the team as "Dedicated and determined", and the team's performance certainly lived up to that, and more.

Varsity: (row one) H. Kemp, K. Martin. (row two) Coach Martello, L. Apinis, C. Chase, N. Carrozza, D. Crutch, J. Ryan, J. Sizer, K. Sunderland, M. McKone, S. Lincoln, Coach Wheelock.

1980 was a year of record setting for the team. First, came a six-game winning streak at the beginning of the season. Then, in a game against Bloomfield, they scored 69 points- the highest point total ever. Victory came in games with two tough CVC opponents, Newington and Glastonbury for the very first time, to add to the list of triumphs. And Judy Ryan's 32 points against Ellington was yet another worthy accomplishment for the Rams.

This year's basketball team gave Rockville High School something to cheer about. Led by captains Steve Emerson, Chris Green, and Rich Lombardi, Rockville showed the other teams how the game should be played, and played well (but not without an occasional airball at the foul line ...).

"The greatest satisfaction I get as coach is working with the players in a positive atmosphere toward a definite goal- to win." Coach Geissler

All those afternoons of practice on the court evidently paid off for the tennis team last spring. They finished the season with a 9-6 record, and were tied for second place in the CVC. Coached by Phyllis Cooper, the team sent six players to the State Finals, and since many of these girls are returning for the 1981 season, the tennis team should meet with another successful year.

concert band

The Rockville High Bands were very active throughout the 1980-81 year. The Marching Band began the season by playing at eight football games and two parades. The Jazz Band played its "Big Band Era" concert in February and its regular modern jazz concert in May. The Concert Band and Wind Ensemble participated in the Connecticut High School Band Symposium in Norwalk. The Wind Ensemble captured second place honors at the University of New Hampshire Band Competition, and the year ended with the Wind Ensemble, Jazz Ensemble, Marching Band, and Color Guard taking a trip to the National Music Festival in New Jersey. A total of 45 performances were put on by the bands this year!

independant study

This course is a fourth level art class, taught by Mrs. Goldfarb. The prerequisites to taking this course are Art I A & B, Drawing II, Painting II, Drawing III, and Painting III. In this class, the students decide on the style, media, subject matter, and concentration that they will use in their future projects. Each student then draws up a contract describing all of the projects that he or she intends to complete that semester. In addition to that contract, the student must also draw up a detailed contract on each projects prior to starting a new one. Each contract must be approved by the instructor and must be followed out and fulfilled. The freedom to choose the style and projects gives these students the opportunity to develop their own styles and artistic talents. All the members of the class are seniors, and they are Patty Gunther, Lori Hany, Belinda Fortin, Becky Hervieux, Teresa Sullivan, Linda Cordner, Daria Petraglia, Mairead Cosgrove, Fred Arcoleo, Maureen Turner, Debbie Gorman, Joe DiPinto.

Being a member of the Choir or Chorus involves more than just singing scales every day. This year the groups had to work extra hard in order to prepare music for the many concerts they performed. The first was in October on U.N. Day, and featured musical numbers from different foreign countries. Following that was the annual Christmas in December where the chorus performed the traditional "Hallelujah Chorus" from Handel's "Messiah". After selling calendars and lots of candy bars, the Mixed Choir was ready for its exchange concert with Brockton, MA, held in March and April of 1981. The final concert for seniors was the spring concert in May. Many seniors take the opportunity to perform solos then, and the Madrigal Singers also share their songs.

1980 was a big year for Drama at RHS. It opened with a combined effort by the Music and Drama departments with the musical "Mame". It featured Carolyn Balk in the title role, and Bill Lachut as Mame's leading man. Following "Mame", the *students* took control of the director's job and presented four one-act plays: "As You Like It", directed by Tammy Oellers; "Still Alarm", a comedy directed by Lori LaPorte; the drama, "Dracula" directed by Ellen Rosenberg, and "I'm Herbert", Suzy Gaskell directing. The spring brought "You're A Good Man Charlie Brown" to the stage of RHS, and audiences laughed along at the antics of Tracy Newirth (Lucy), Adam DuBeau (Shroeder), Chris Bloniarz (Linus), all under the expert direction of Maggie Kline. In the fall of 1980, a children's show troupe toured Vernon's elementary schools with the mini-musical, "The Dreams of Jimmy James", the tale of a boy who can't seem to get it all together. Chris Bloniarz appeared as Jimmy, Bill Lachut as the school bully, Tracy Newirth as Jimmy's heart-throb, and Carolyn Balk and Adam DuBeau fox trotted their way along as Jimmy's parents. Since the exposure to "Jimmy James," it is inevitable that countless children walk the streets singing, "Oh Jimmy, you're so marvelous" To end 1980, the Drama Club presented the mystery thriller, "The Mousetrap". John Foster questioned the guests staying at the home owned by Jim Dick and Beth Duncan, as the pieces gradually fell together and the murderer was caught. The guests under suspicion: Christine Clay, Bill Lachut, Chris Bloniarz, Selene Flukinger, Chris Anderson, and occasionally Judy Keppner. After taking a few weeks off to have little Rebecca, director Maggie Kline came back for 1981 to help with another group of one act plays.

At the first yearbook meeting during the summer, we sat down and tried to find an appropriate theme for the 1981 Banner. We were immediately drawn to Harry Chapin's "Circle" because it seemed to sum up all the things we hoped to convey. All our lives *are* circles, from the time we begin school to the time we end it. Circles of experiences, in varying sizes and forms, until finally graduation completes a giant circle of our life, so yet another series of circles can begin.

As editors of the Banner, a feeling of "All my life's a *yearbook!*" prevails in our minds. Putting together a yearbook is an enormous job, and has been a profound experience that none of us will be able to forget. But not to take all the credit, we need to devote this space to thanking the many people who worked beside us during the year. First, our staff, who typed, sold yearbooks, researched, and typed some more. Without them the Banner would have been impossible to complete. Thanks is extended to the people who contributed their talents with the beautiful artwork included with in these pages, and to our photographers-especially Jack and Bill, who were always ready with their cameras. We're grateful to Mr. Murphy for guiding us along through the finances of a yearbook, and to Mrs. Stephenson for allowing us to invade her room. Perhaps most importantly, we must acknowledge Hank Hansis, and shower him with a thousand thank-yous. Not to be forgotten are Marcia, James, Alison, and Roger who mixed a drop of their own blood in with our own along the way. But finally, the thanks goes to you, the class of 1981, for without you, the pictures in this book would be worth nothing.
